Create a Spectacle at Your Next Event

Visually Stunning

Used by event planners, designers, producers and folks just like you, our Saddle Span tension structures add a dynamic flair to any event. The unique and dramatic lines of a Saddle Span project both style and sophistication.

Not only are these units attention-grabbing, they are exceptionally functional, offering great sight lines, excellent acoustics and voluminous open space. From 2,100 to 12,000+ sq ft of usable, open space — Saddle Span tension structures provide excellent protection from the elements. And set-up time for a typical structure is only 3-4 hours.

Euphoria Event Solutions' Team of experienced professionals is dedicated to the highest standards of customer service. We work hard to make you look good.
